Assessments may be given at different time points during the school year, and are referred to as Wave 1 (beginning of the school year), Wave 2 (middle of year), etc.

Student Report for Parents

The Texas Primary Reading Inventory (TPRI) 2nd Grade is an early reading assessment that provides information about your child's reading development, including strengths and difficulties. Your child's teacher uses this information to plan lessons to best meet your child's individual needs while supporting them in becoming a successful reader.

TPRI 2nd Grade includes a Screening Section at the beginning of the year, which includes a Word Reading task. On the page(s) that follows, you will see a summary of your child's TPRI results.

Information about the assessment your child was given

Scores may include categories that describe how well your child performed on grade-level knowledge and skills.

Performance Categories

Developed

Your child was successful with the task, which means that they will likely make good progress with appropriate instruction.

Still Developing

Your child is still working to develop this skill, and may benefit from additional reading assistance and/or assessment. See Family Resources for support at home.

* Raw score only, Performance Categories do not apply.

This page of the parent report provides more information about each task, including your child's scores from current and/or previous waves.

A brief assessment given at the beginning of the year to quickly identify students who may be at risk for reading difficulties; results inform the teacher if your child needs further evaluation and/or intervention activities.

Graphs show your child's progress in a task over time. Graphs may display when a report includes results from more than one wave.

The wave that the score(s) corresponds to

Your child's performance on a task, including the score (out of the total score possible)

Total scores vary by task. For example, scores for Reading Fluency Stories 1-6 can range from 0 to 300.

Results display without a graph when a report includes scores from only one wave.

How your child completed the assessment:
 1= in person
 2= remotely
 3= combined

Your child's teacher may include comments.
